### ABOUT ME

I am Aldi Aryana, a Computer University student with a strong interest in UI/UX Design. I enjoy courses related to user interface and user experience, and I am passionate about developing my skills in creating digital solutions that are attractive, functional, and user-friendly.

### INTERNSHIP EXPERIENCE

**PT.Telkom Indonesia**

GARUT, JULI 2021 - AGUSTUS 2021

- Assisted in the installation and maintenance of internet networks.
- Supported the team in inspecting network devices (router, switch, modem).
- Managed customer data recording and documentation.
- Learned basic troubleshooting of internet connections and network devices.

### DEVELOPMENT PROJECT

- Developed a personal portfolio website to showcase projects and experiences
- Designed and implemented user interfaces (UI) with a focus on responsive and user-friendly design.
- Utilized HTML, CSS, and JavaScript technologies.
- Optimized website structure for accessibility and fast loading performance.
